Dear Sir:

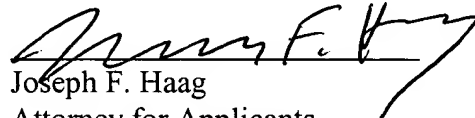

In furtherance of the Amendment and Response filed on February 13, 2001 in the above-identified case, Applicants file this Supplemental Amendment and Response to correct typographical errors in the February 13, 2001 response. The February 13, 2001 response, which was filed in response to the Non-Final Office Action mailed October 13, 2000, (Paper No. 12), enclosed four terminal disclaimers in response to the Examiner's double patenting rejections. Upon a review of this file, Applicants became aware that typographical errors exist in three of

those terminal disclaimers. In particular, three terminal disclaimers wrongly identify the application number. Applicants have, therefore, enclosed replacement terminal disclaimers to correct these errors. The enclosed terminal disclaimers correctly identify Application No. 09/282,747. These replacement terminal disclaimers are for copending Application Nos. 09/219,267; 09/322,351; and 09/166,367. The terminal disclaimer filed for Application No. 09/223,903 was correct in the February 13, 2001 response.
